## ABOUT THE AUTHOR

K. Krishnaiah , the author was born on 2-5-1938 in Sankampalle Village situated in Pakala Mandal in Chittor District to Smt. Nagamma and Sri Papaiah as their eighth and last child. The author faced many problems during his boyhood. Moving constantly from place to place, he completed his Highschool studies in 1956.

He started his struggle for existence in 1956 under the influence of family conditions. Though government jobs were within his reach, he had no mind for them. He joined a private firm involved in engineering constructions in Hyderabad. With keen interest he worked relentlessly in the Civil, electrical and mechanical sections of the firm, improving his skill and knowledge of the sections and grew to occupy the position of an engineer. During more than fifty years of professional services, he completed many projects, both in India and abroad.

As part of his official duties and as a tourist he visited Dubai, Nepal, Srilanka, Singapore, Malasia, and other European countries. He was interested in the sports field from his boyhood. He thought that if the knowledge and experience gained by him in his life are put down on paper, it would prove useful to the society and started writing. He produced the following books which he considers are a result of divine grace and blessings.

1. **Desha Videshi Yatralu.**
  2. **Bharatiya Yoga Sammelanam.**
  3. **Satsanga Sankalanam.**
  4. **Viswa Vikyatha Baladhyulu ( Telugu & English).**
